

## WRITE ON OUR WALL! - What's it all about?

We're commissioning a piece of wall art to commemorate the opening of the new centre. It will be located in the new entrance lobby for everyone to see when they enter the building. It will be bright and colourful and will feature photographs from the area and hundreds of messages from people connected to Doohamlet. Here's an idea of what our wall will look like and some inspiration for the type of messages that can be included\*;
